Finding your way to Ripon from Minneapolis or Madison

From Minneapolis:

Seek out I-94 East and head for Wisconsin. Follow I-94 as you go by Eau Claire, Black River Falls and where I-90 merges. Continue on I-90/94 until you get to Mauston. Exit at Mauston/Wis. Hwy. 82. At the end of the ramp, take a left. Follow 82 (enjoy the view as you cross the Wisconsin River) until it ends at I-39 and joins with Wis. Hwy. 23. Continue straight on 23, journeying through Montello, Princeton and Green Lake. The next city is Ripon!

From Madison:

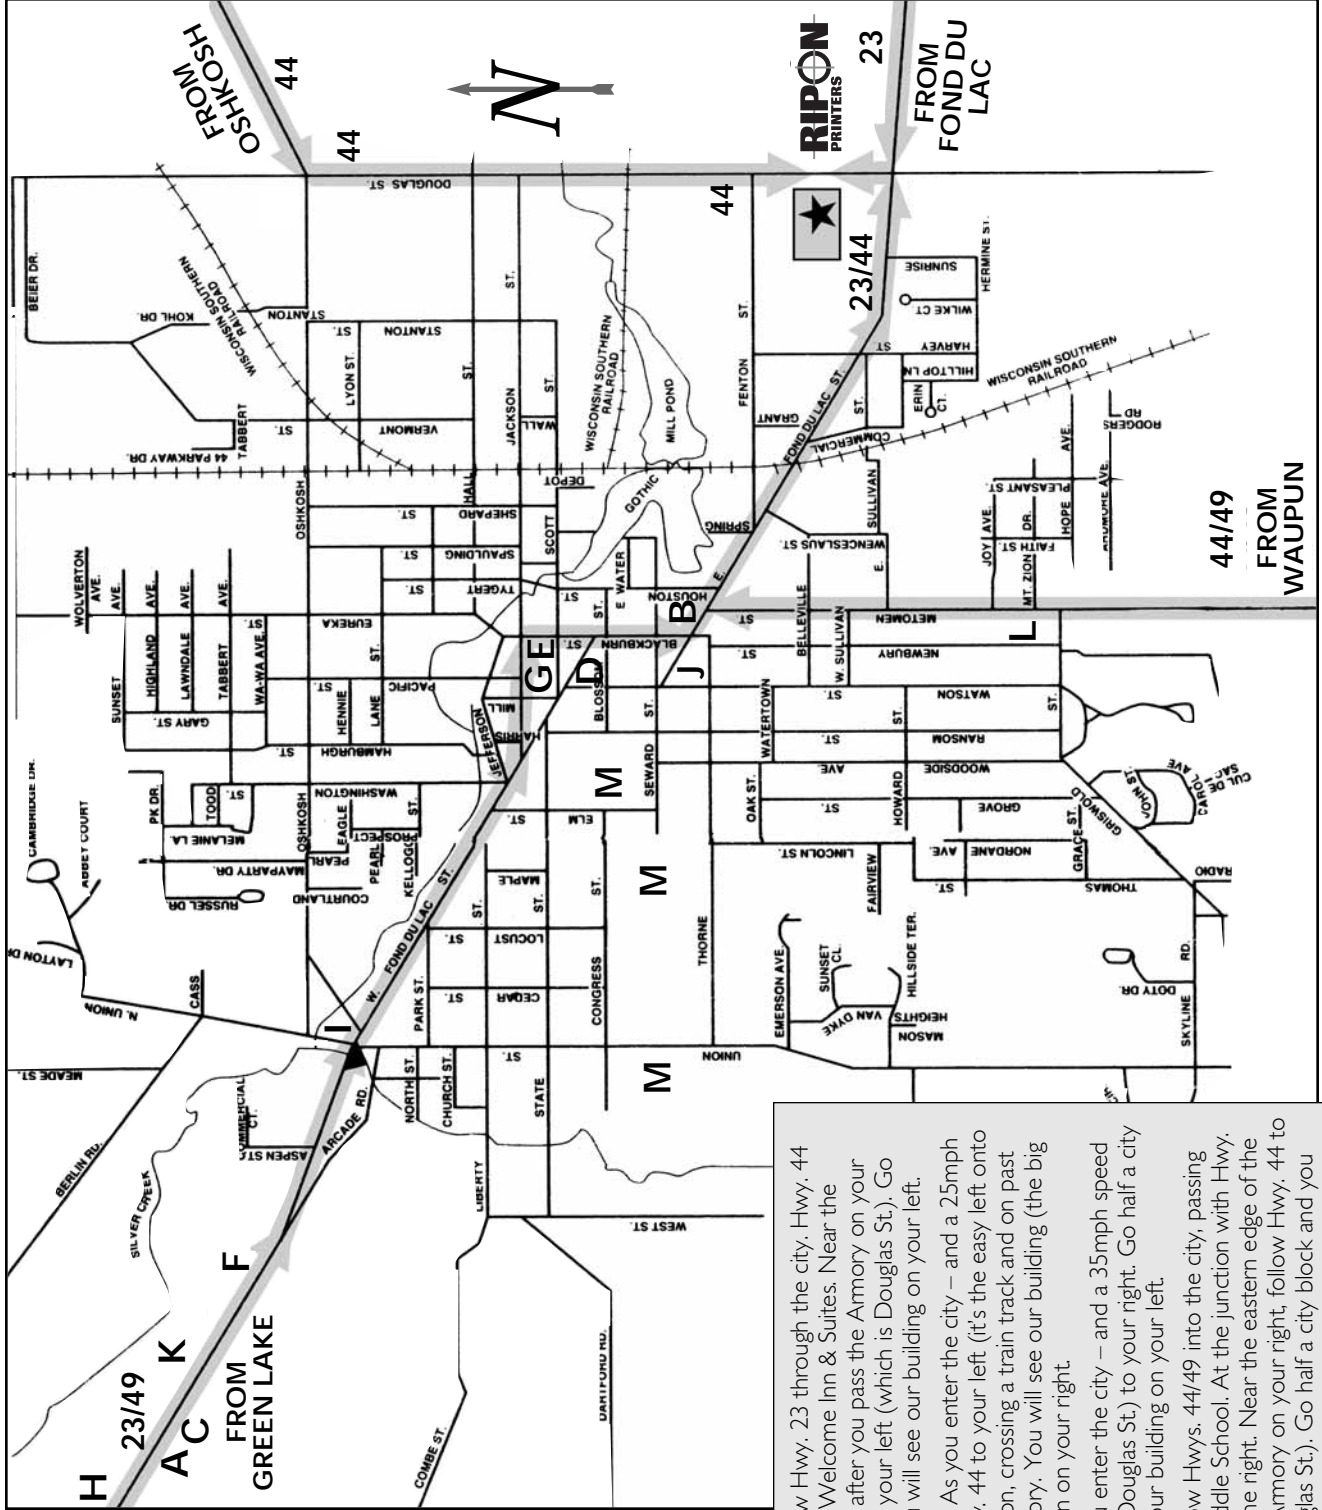

Seek out US Hwy. 151 and head northbound. After passing Columbus and Beaver Dam, watch for the first Waupun exit – Co. Hwy. M (Business 151). Follow Co. M into Waupun proper. Once you enter the 25 mph speed limit, you will pass the hospital on your left. At the stoplight, you will intersect with Wis. Hwy. 49. Take a left and follow 49 through Brandon and on into the City of Ripon!

The next page has a map of Ripon!
