

Ripon Printers Shines in 2015 Graphic Arts Excellence Awards

August 2015
Ripon, Wisconsin
FOR IMMEDIATE RELEASE:

Ripon Printers received several honors in the 2015 Graphic Excellence Awards. The competition recognizes superb craftsmanship in the design, creation and production of top-quality printed materials. Sponsored by the Great Lakes Graphics Association (GLGA), printing and finishing companies throughout Indiana, Illinois and Wisconsin enter the contest each year.

The team of judges is composed of experts in the graphic communications industry. An entry is judged first on technical expertise and the quality of printing, then on design features and overall graphic appeal. Companies do not need to be members of GLGA to enter the contest.

Assisted by the outstanding creativity of its clients, Ripon Printers captured one Best of Division and two Best of Category Awards. "Profire Grills" by Everglow Gas Lamps & Torches won Best of Division honors for Brochures and Broadsides (4 or more colors).

The first Best of Category winner was "Wisconsin in Print 2015," published by University of Wisconsin Press. The category encompassed Web Press Printing, Uncoated Paper (4 or more colors) Coldset.

Winner of the second Best of Category award was "UCC Aluminum Electrolytic Capacitors," a piece produced by Marketing & Print Services. The victory came in the Web Press Printing, Coated or Uncoated Paper (1, 2 or 3 colors) category.

"Our craftspeople consistently demonstrate their ability to compete at the highest levels. Their commitment to excellence helps us attract and retain customers who likewise demand the very best in quality printing," says Ripon Printers' President and CEO Andy Lyke.
