

Ripon Printers Wins NAPL Management Plus™ Silver Award

February 2012
Ripon, Wisconsin
FOR IMMEDIATE RELEASE:

Ripon Printers, a leading printer of catalogs, publications, manuals and soft-cover educational products, received a National Association for Printing Leadership (NAPL) Management Plus™ Award. Companies taking part in the competition submit an NAPL Best Practices Assessment™ as part of their entry. In turn, they receive a detailed outside evaluation of their management strengths and weaknesses and become eligible for NAPL Management Plus™ Gold, Silver or Merit Awards.

Winners must meet high standards in a number of areas including strategic planning, sales and marketing, finance, operations, human resources, leadership and community/industry relations. Ripon Printers earned an NAPL Management Plus™ Silver Award. As an award winner, Ripon automatically becomes a member of the NAPL Management Plus™ Society, enabling the company to display the Society emblem on all company promotional materials as a symbol of its dedication to excellence in business practices.

"We are honored to receive an NAPL Management Plus™ Award because the program sets a high bar for management achievement," says Ripon Printers' President Andy Lyke. "Participating gives our entire team a visible benchmark as well as an opportunity for industry recognition. I am extremely proud of our employees' achievements and commend them for their hard work and dedication in meeting the challenges of a transitioning print marketplace."

The awards will be presented on Tuesday, February 21, 2012, at the Management Plus™ Awards dinner program during the industry-wide Vision 3 Summit conference at the Marco Island Marriott in Marco Island, Florida.
