

RIPON PRINTERS ENVIRONMENTAL POLICY

Ripon Printers is committed to continual improvement of its Environmental Management System. We will strive to exceed all environmental requirements and will seek to prevent pollution before it is produced.

Compliance

Ripon Printers will comply with all applicable laws and regulations and will implement programs and procedures to assure compliance.

Prevention

We will manage air, land and water in an environmentally sensitive manner.

We will identify and eliminate wasteful practices and products.

We will re-use and recycle whenever possible.

We will conserve natural resources whenever possible.

We will use energy efficiently throughout our operations.

We will consider environmental factors when making operating decisions.

Communication

We will provide appropriate environmental training and educate employees to be environmentally responsible.

We will communicate our commitment to our employees, customers and vendors.

Continuous Improvement

Objectives and targets will be established to assure continuous improvement in environmental performance. We will work continuously to improve the effectiveness of our Environmental Management System.
